## **Ballroom Dancing on Sunday Nights at Paulette's Studio of Dance**

We are very excited to announce the addition of Sunday night dances at the studio. The 16 piece big band orchestra, **Night Session**, will play dynamic dance music for you including swing, cha-cha, waltz, foxtrot, rumba, and more. This hot band features sultry saxophones, a tenacious horn section, a drummer with the perfect beat, and a silky-voiced vocalist.

The dance soirees are held on the **second and fourth Sunday of each month**. The next dance party is a very special **Valentine's dance** which will be held on **Sunday, February 13<sup>th</sup>**. The following dance party will be on **Sunday, February 27<sup>th</sup>**.

Paulette will teach a group dance lesson from 5:00-5:30pm. No partner is required. New and seasoned dancers will learn fun steps and techniques. The band will play from 5:30-7:30pm. The cost for the dance and the lesson is \$10 per person.

The décor and environment at the studio is chic, elegant, and inviting. Join us at the studio to dance on the spacious floor and socialize with your friends in the *Corkscrew* lounge. You are welcome to bring your picnic basket filled with your favorite dinner or snack items and beverages to imbibe while you are listening to the music.

**Come and enjoy the band even if you are not a dancer.**
